# SYNOPSIS

In the unprecedented era of the 2020 pandemic, amidst strict restrictions, 32-year-old police constable Kishor secretly plans to meet 22-year-old Dolly for a wedding. However, Dolly becomes anxious about Kishor's visit and calls her boyfriend Sandeep, who is trapped in a quarantine building. Hearing the news, Sandeep devises a daring plan to elope with her. As he escapes, the village head informs the Police. Kishor is now assigned to track Sandeep down.

The situation intensifies when the village head learns that Sandeep has tested positive for the virus. As Sandeep rushes to steal money for survival, his phone gets switched off. Dolly's family soon realizes she's also missing. As the chaos escalates, Sandip and Dolly couldn't get connected. Now everyone desperately seeks each other, exploring love and connection amid the pandemic's turmoil.

"VISHAY HARD" weaves a narrative filled with love, longing, humor and unexpected challenges, exploring the depths of human connection amid a world turned upside down by a pandemic. Will Sandeep and Dolly find their way back to each other, or will the lockdown keep them apart forever?
